# My Story

when i was a child i used to draw dresses and i wanted to study fashion design and because of circumstances i studied biomedical engineering and i worked as an engineer in operation theatre in hospitals for ten year, i participated in reflection exhibition for art after that i took a lot of certificates in skin care, first aid instructor, a lot of certificate i couldnt find myself until i joined Naj fashion institute and i got all what i want to start my journey as i studied designing, Moodboard, sewing and drapping, Business in Fashion industry and Styling.

# More About me

## My Vision

To become a global leader in Fashion and create a unique, elegant with high quality clothes, and make all the ladies reflecting their inner beauty to what they wear.

## My Mission

To create an art and convert it to a reality that shows women's self confidence and beauty.

To make a unique high quality from simple to complicated designs inspired by all the beauty in the world around us for all the women in the world.

# Attended Shows and so on...

I attended the below fashion shows as a backstage designer assistant.

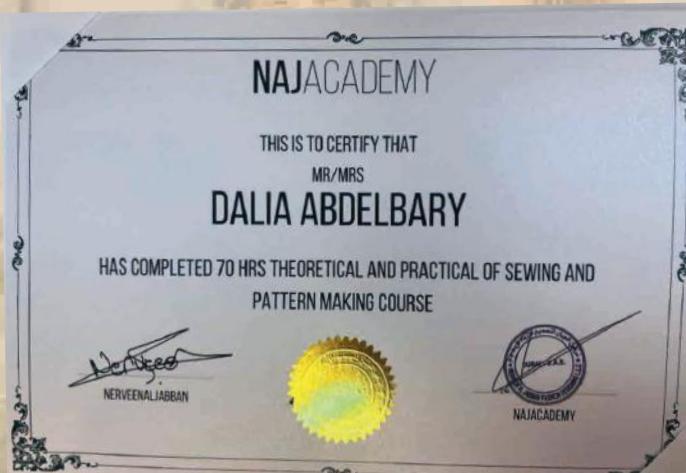

## Fashion Factor Fashion show in Dubai in 2023

**Certificate of Completion:  
Fashion Design Master Class**

# Attended Shows and so on...

I attended the below fashion shows as a backstage designer assistant.

## Theoretical and Practical of Sewing and Pattern Making Course

## Theoretical and Practical Fashion Leadership Program

## Certificate of Appreciation: Fashion Leadership Program

and many more to come...

# Inspi- ration

I got inspired from  
everything around us  
like The Nature, beauty  
of shiny stones and  
diamonds.

# Your style,

# Mood, Theory

I design an elegant couture pieces and ready to wear evening wear for events and parties with accessories and stones that concentrate in elegance.

“

I believe that

**simplicity is equal  
to Elegance**

# Work

My concept is to design a limited edition of ready to wear

**elegant dresses,  
jumpsuits,  
suits and  
jackets**

and so on that is suitable for a night event

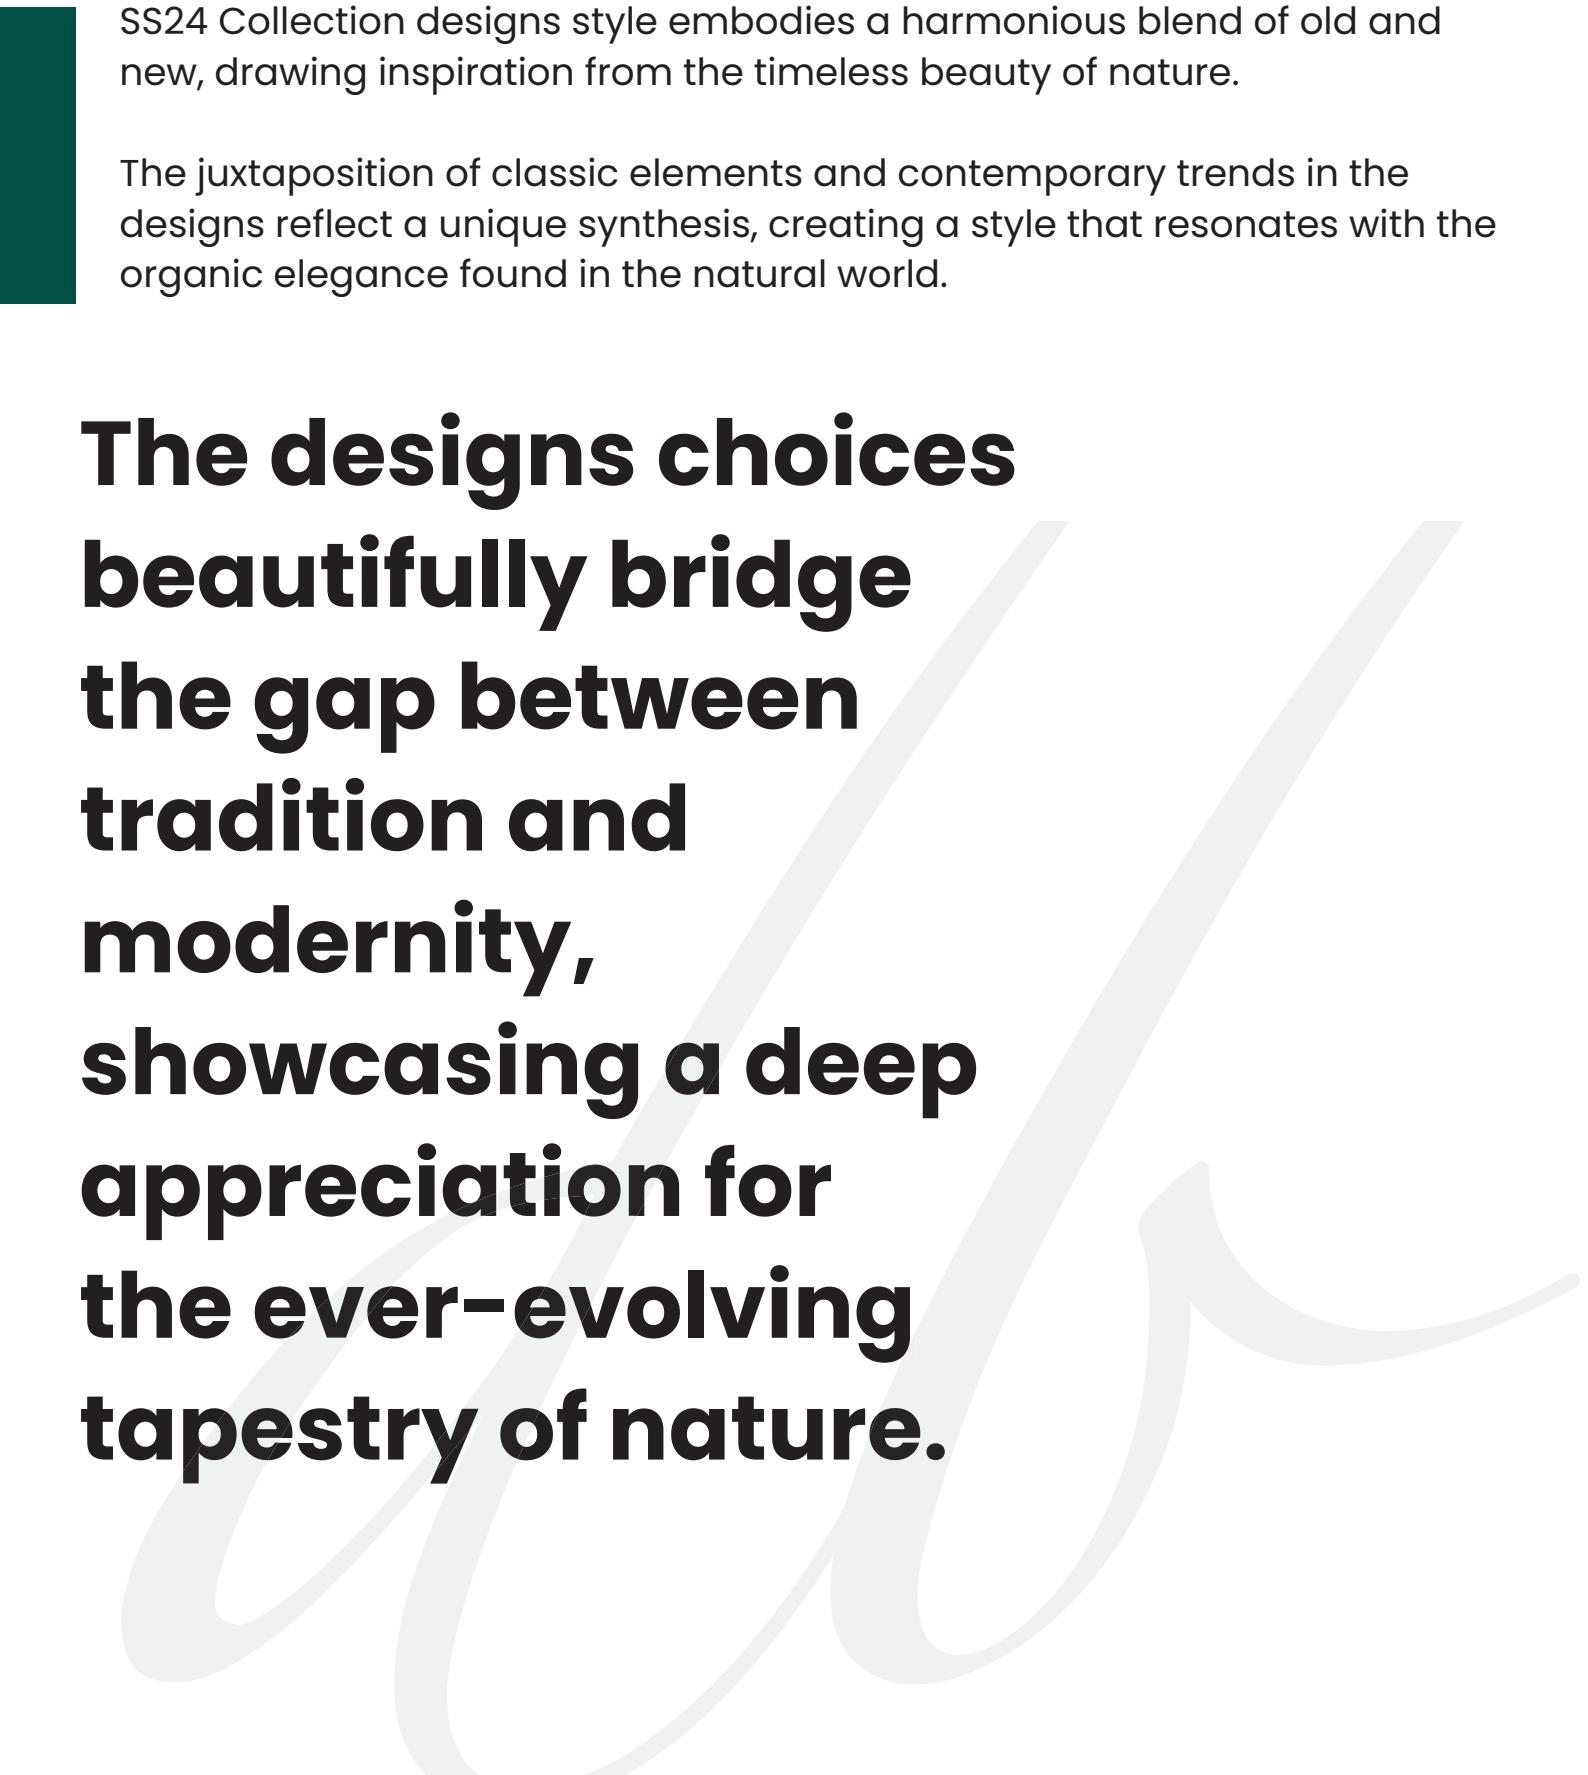

# SS24 Collection

SS24 Collection designs style embodies a harmonious blend of old and new, drawing inspiration from the timeless beauty of nature.

The juxtaposition of classic elements and contemporary trends in the designs reflect a unique synthesis, creating a style that resonates with the organic elegance found in the natural world.

**The designs choices  
beautifully bridge  
the gap between  
tradition and  
modernity,  
showcasing a deep  
appreciation for  
the ever-evolving  
tapestry of nature.**
